

IBM® Sterling Connect:Direct® for Microsoft Windows 4.6.0 Fix Pack Readme

This document provides instructions and information about fix packs for IBM® Sterling Connect:Direct® for Microsoft Windows 4.6.0.

**** Contents has been moved *****

Please see the Fix List Document (CDWin460FixList.rtf) for information and instructions on Fix Packs.

The Fix Pack Readme has been integrated into the Fix List document (CDWin460FixList.rtf), giving you a single source of information on Fix Packs and iFxes from here on. As a result, the Fix Pack Readme (CDWin460FixPackInstructions.pdf) has become obsolete and may be removed in the future.
